Stay abreast of the status of every Bill tabled before South African Parliament, as well as draft Bills, parliamentary documents, submissions and other documents with Sabinet's Bill Tracker and Parliamentary Documents. We track them every step of the way, so you don't have to. The information we provide is accurate, complete and easy to use.

**If you are looking for all the facts about every Bill tabled before Parliament, Bill Tracker and Parliamentary Documents are indispensable services to you.**

### ONE

The Bill Tracker and Parliamentary Documents service is updated timeously as we track Bills through all its stages, from their first discussion in Parliament as they develop from Draft Bills into Bills and are signed into law by the president, finally becoming enacted as Acts.

### TWO

We do extensive daily research across all sources of Parliamentary information to ensure that the information you access is up-to-date and accurate.

### THREE

#### **We've got it all:**

- All Bills, including their profiles, statuses and history, whether those still in progress, completed or passed but not yet enacted.
- Bills are cross-referred to the corresponding Gazette.
- Parliamentary documents including draft Bills, Committee reports, submissions to Parliament, speeches by Ministers and replies to questions in Parliament.

### FOUR

We illustrate the complete legislative history from the first discussions in Parliament to becoming an Act to give you an at-a-glance view of where a Bill is in the process.

### FIVE

You get absolute peace of mind knowing that you are using complete and accurate information.
