ONE: South African Citations **TWO:** SACat Plus

Sabinet's Specialised Reference Databases is easily accessible directly via your intranet by means of IP authentication.

South African Citations

Local and international information indexed by South African organisations.

- **ISAP** (Index to South African Periodicals) – indexed articles from periodicals maintained by the National Library of South Africa.
- **Kovsidex** – selected articles according to the needs of the primary clients of the University of the Free State. Includes a wide range of reference works on the theory and practice of education from the database originally indexed by the Research Institute for Education Planning.
- **Forestry** – a unique pamphlet collection from forestry, wood science and nature conservation research institutes in South Africa, the USA, South America, Europe, Australasia and certain countries in Eastern Europe. Compiled by the University of Stellenbosch.
- **Centre for Rural Legal Studies** – this database focuses on agriculture and agricultural workers on commercial farms in South Africa (1900s – 2011).
- **Cloverdex** – a database of indexed periodical articles collected by the company Clover SA (Pty) Ltd primarily connected with the dairy industry in general (1980 – 1997).
- **Mintek** – a bibliographic database containing the results of Mintek's original research in the fields of metals and industrial minerals. The database consists of reports, patents, special publications, and papers (1951– 2005).
- **ArchUP** – an index of information from architectural journals by the Department of Architecture at the University of Pretoria.
- **The Concrete Institute** – more than 40 000 technical references on all aspects of cement and concrete.
- **PlanUP** – indexes the extended archive of the Department of Architecture at the University of Pretoria.
- **SAGEolit** – Bibliographic information on geoscientific publications, selected from journal articles, publications from symposia, published and unpublished reports and maps.

easily accessible anywhere

SACat Plus

Bibliographic information about material stored in Southern African libraries, material published in South Africa, theses produced in South Africa (doctoral and master's level), and current and completed research undertaken in South Africa.

- **SACat** – a union catalogue of items held by Southern African libraries; updated daily.
- **SANB** – all material published in South Africa (books, pamphlets, government publications, maps, technical reports, periodicals); updated regularly.
- **UCTD** – bibliographic records of theses and dissertations (doctoral and master's level) submitted to South African universities since 1918; updated regularly.
- **Navtech** – information on current and completed research undertaken in what used to be South Africa's technikons; updated regularly.
- **Current and Completed Research Archive (1919-2014)** – South African research projects undertaken at South African academic institutions in the fields of economics, science and the humanities. Includes master's and doctoral theses and research works from the government, non-government and private sectors (1919-2014).
