

South African Judgments

discover.sabinet.co.za

A WELL-ROUNDED VIEW OF JUDGMENTS

amplified by advanced systems to empower your quest for easy to use and reliable information.

The quickest, easiest route to unreported and reported judgments (with neutral citation). Optimal discoverability and additional filtering to refine your search.

ONE

Save time by getting a brief summary of the key points from a judgment. This can help you understand what the judgment is about without reading the entire document. AI Summaries and Keywords can assist you in identifying the most relevant information in a judgment.

TWO

Quickest and easiest to use - Sabinet Judgments is streamlined, designed with you in mind, and because of its intuitiveness, is the fastest route to finding the results you need.

THREE

Robust search functionality - Enables you to browse thousands of judgments by subject, by keyword, case number, court, parties, judge, act and section of an act, providing them with advanced, truly granular searching.

FOUR

Frequent updates - With a database of relevant and up to date judgments, ensuring you have access to judgments within five days after receiving it from the courts.

FIVE

Easy referenced indexes - What's new feature alerting you to the most recent published judgments as well as a latest info loaded that will inform clients about backdated judgments continuously added.

SIX

All Court forms and rules of the court - Hosted on Sabinet Judgments, making them accessible in one single source.

SEVEN

Advanced technology - Seamlessly connect Sabinet Judgments' content to other relevant sources, augmenting the way professionals work.
